**Subject:** Recommendation Letter in Support of  
Application to the Grant Management System of OCHA

This document serves to confirm that the Ramz Development Foundation is an active member of the GBV/Women Protection AoR in Yemen since 2020. Ramz Development Foundation is engaged in the activities of the AoR through different approaches, including awareness and education to direct service provision to women and children affected by crisis. Throughout their work Ramz Development Foundation ensures to participate with information sharing, joining efforts in defining priorities and needs and, continue to promote higher standards of protection of some of the most vulnerable groups to GBV in Yemen's crisis.

National GBV/Women Protection AoR appreciates greatly your consideration and is in support of this NGO's application for consideration by OCHA's GMS team.

With my best regards,

Azra Sehic

GBV AoR Coordinator
