RE: Ramz Development Foundation

Dear Sir/Madam,

This letter is to confirm that the Ramz Development Foundation has been a grantee of the National Endowment for Democracy (NED) since 2017. Since that time, the Ramz Development Foundation has received six consecutive grants, including one approved by our board of directors on January 2021. Ramz Development Foundation has worked on raising awareness on women's issues through radio programming including combating violence against women in education, the right to inherit, and the right to pass on their citizenship to their children. The narrative and financial reports required for the grants were received and satisfactory.

Should you require any further details or have any questions about the Ramz Development Foundation work with NED, please do not hesitate to contact me at caseb@ned.org

Best wishes,

Case Boeshaar
Program Officer
