Hashem, Muna (FAOYE)

أنت, Musaed Marco

, Dear Ramz

Based on the FSAC minimum commitment checklist, I'm happy to confirm that RMZ is considered an active partner of the Food Security and Agriculture Cluster

RMZ regularly attends cluster meetings, coordinates prior to the implementation, and submit monthly reports. Also, provides any requested information .or reports promptly

I would suggest using this email under the YHF eligibility process

,Kind Regards

Muna Hashem
